

### Digication Professional Development Workshops

Digication offers several professional development workshops for your department, school, district or state, or other group sponsored by an educational organization.

Digication workshops can help you learn more about the benefits of using e-Portfolios at your school, how to use e-Portfolios to address assessment, accountability or accreditation requirements and provide necessary professional development opportunities for teachers for effective e-Portfolio implementation. Each of these workshops can be tailored to meet your specific needs.

#### Workshops formats available include:

- Digication Webinars (30 – 60 minutes)
- e-Portfolio Workshop (½ day or full day onsite)
- e-Portfolio & Digication Workshop (1/2 day or full day onsite)

*Note: If your school or district has a current grant, you may be able to use those funds to support a professional development, technology training or Digication workshop.*

### Digication Webinar

This webinar covers the basics of how Digication e-Portfolios are used in the classroom, an overview of Digication's features and how easy it is to create and customize Digication e-Portfolios.

*90 minutes*

### e-Portfolio Workshop

This workshop covers the educational, professional and technical aspects of incorporating e-Portfolios into classroom environments. The goal of this workshop is for your team to have enough information to create a strategy for implementing e-Portfolios within your school.

*This workshop can be 1/2 day or full day.*

### e-Portfolio & Digication Workshop

This workshop covers the educational, professional and technical aspects of incorporating e-Portfolios into classroom environments, as well as hands-on training on creating your own Digication e-Portfolios. The goal of this workshop is for your team to be ready to implement Digication e-Portfolios within your school.

*This workshop can be 1/2 day or full day.*

*The full day workshop includes a free 30 day trial Digication account for all participants that are not current Digication subscribers.*

**Please contact us for more information or to schedule your workshop.**
